PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 246A to Big Lake, Texas, as that community's first commercial FM service. Big Lake is an incorporated community of over 3,400 people. Big Lake has its own mayor, J.R. Dunn, its own post office, its own fire department, its own school district and a number of local churches. The proposed channel 246A will provide additional diversity and an outlet for local self-expression to Big Lake residents and therefore is in the public interest.

Should this petition be granted, and Channel 246A be allotted to Big Lake, Texas, Petitioner will apply for Channel 246A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'RF', is written over a horizontal line.
